

Community Partner Questions

The Services and Strategies Committee is an advisory committee to the San Luis Obispo Workforce Development Board. SLOworkforce.com

A major focus of the committee is to connect with agencies in SLO County that work with special and underserved populations in order to develop a more integrated and effective service delivery system. We would greatly appreciate your participation in this short survey so that we may better understand the needs of your agency and the population(s) you serve.

- 1.) What is the population that your agency serves?
- 2.) Do you have eligibility criteria? If so, what is it?
- 3.) What is the primary unmet need that your clients/consumers face?
- 4.) Could your agency benefit from having a comprehensive standardized county-wide referral process?
- 5.) What are the top 3 organizations/programs that your agency refers clients to?
- 6.) Are you aware of workforce development programs in SLO and services offered?
- 7.) Where would you refer a client who needs assistance with finding employment?
- 8.) Would you be interested in doing a presentation to the Committee members so that we could better understand your agency's services, mission and goals?
