Website Enhancements

Events Calendar

- The existing Events Calendar required a lot of code changes and constant maintenance to keep it up to date
- Recently, an un-recoverable error occurred in the non-modifiable code that brought the entire website down
- Rather than deal with a 3 month response time to this problem, we moved to Google Calendar
- Events are now managed outside of the Word Press environment in Google Calendar

Workforce Investment Board

The San Luis Obispo County Workforce Investment Board (WIB) is responsible for providing oversight and developing strategic policy for implementing the Workforce Investment Act (WIA) in San Luis Obispo County. The WIB, defined by the WIA, includes County departmental leaders, local business leaders, educational entities, community-based organizations, economic development agencies, One-Stop partners and labor organizations.

The WIB serves as a catalyst to integrate private and public partners to educate, train and place individuals with the necessary resources and skills to fulfill employer needs. We offer a dynamic and comprehensive workforce investment system through our One-Stop Career Center.

The Workforce Investment Board meets on the fourth Tuesday every other month at 8:00 am.
