What are the benefits of hiring GreenSmart job seekers?

1. **Qualified candidates!** GreenSmart job seekers can meet the needs of your organization. GreenSmart provides training in customer service, computer skills, financial literacy, ServSafe, OSHA, First Aid/CPR, and more.
2. **Bring them on as interns!** Many GreenSmart participants are available for temp-to-hire opportunities. This means an employer can try them out, and we will cover the potential employee's wages and worker's compensation for the initial 4-12 weeks.
3. **Work Opportunity Tax Credit!** Hiring participants from the GreenSmart training program qualified your business for up to \$4,800 in tax credits. That's money in your pocket!

An onsite interview area will be available, and resumes/applications can be collected in person. In addition, this event is open to the public and will be marketed to local college students, career changers, etc. We are expecting a diverse and skilled turnout.

What if I am unable to attend or do not have any current openings?

Easy! We are providing an absentee option to employers who are unable to attend. Simply provide us with some company literature and information on how to apply. We will collect resumes/applications for you, and send them your way after the job fair.

Can I attend only one of the job fairs?

Absolutely! You are welcome to attend one or both job fairs. Just make sure to submit your registration form by March 10, 2016.
